

ORGANS

FOR THE Parlor and Chapel

One of the most beautiful pictures in the home, a church or a Sunday school, is an organ—one that is built to suit the home, the congregation and the financial condition of the people. This is what a National Baptist organ will do.

The parlor organs are in three styles:

Style No. 2 is 5 octaves, action P, oak case only.

Style No. 3 is 5 and 6 octaves, oak case only.

Style No. 5 is 5 and 6 octaves, case is oak or walnut.

Style No. 75 is our new design. It is quarter sawed, golden oak polish and is put up in a six octave case.
